

**Conjunction Triads**

*Cut up one communicative grammar worksheet for each pair of students.*

Hannah planned her trip carefully	she reserved a flight and hotel	she broke her leg and couldn't go on vacation
calculus is a difficult subject	many students want to avoid it	many universities require them to take it
SUVs are very popular	many people drive them	they use a lot of gas
today it is warm and sunny	many people are sitting outside	it will rain this afternoon
eating healthy food fights disease	drinking a lot of water is good for health	eating fast food damages the body
