Northpoint Town by Georgie

I live in Northpoint Town. It's great fun! It's a little town, but there are lots of things to do here. There's a cinema on Main Street. I love watching exciting action films there with my mum. We go on Saturday afternoons. There's a big park in my town with lots of grass, tall trees and a river. I enjoy playing there after school with my friends. We run around and play football. In the town centre there are supermarkets, clothes shops and a new toy shop. I think shopping is boring, but my sister loves it because she loves buying clothes! She likes going to the town centre with her school friends. They have a drink and a snack in a café after shopping, too.

Which two people does Georgie mention?
