2 Trace.

1 Follow the numbers.

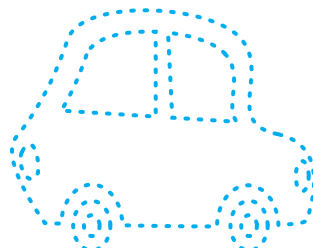

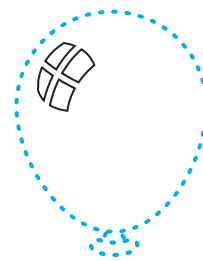

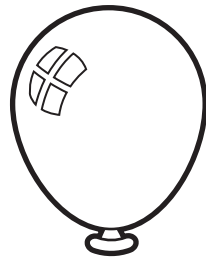

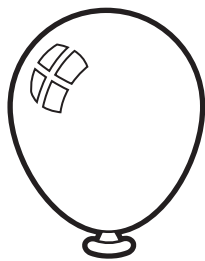

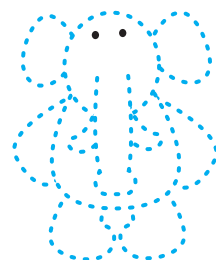

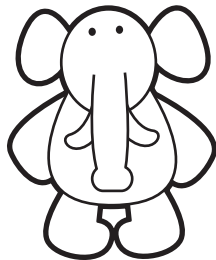

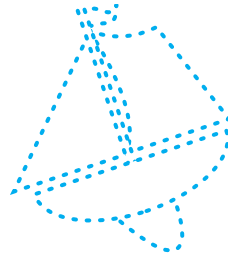

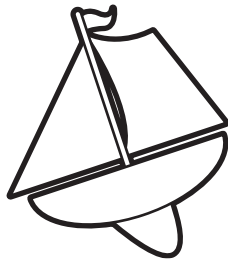

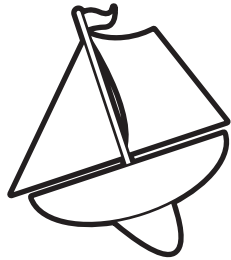

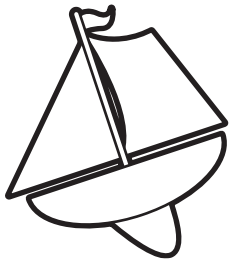

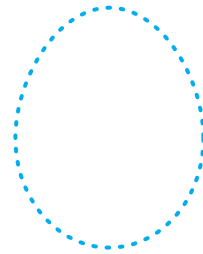

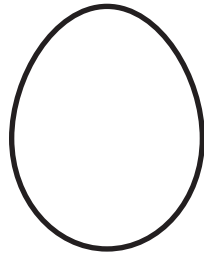

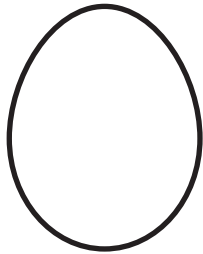

A 5x5 grid of letters and numbers. The grid is divided into three sections by horizontal lines. The top section contains the number 2 in the first two columns and the letter 'a' in the third column. The middle section contains the letter 'b' in the first column, the number 2 in the second column, the letter 'd' in the third column, and the letter 'c' in the fifth column. The bottom section contains the letter 'a' in the first column, the number 4 in the second, third, and fourth columns, and the letter 'b' in the fifth column. The bottom row contains the number 4 in the first, second, fourth, and fifth columns, and the letter 'c' in the third column. Large numbers 2, 3, and 4 are placed on the left and right sides of the grid. Dotted lines with arrows indicate tracing paths: a path for the number 2 starting from the top-left '2' and moving right to the second '2'; a path for the number 3 starting from the top-left '3' and moving right to the second '3'; and a path for the number 4 starting from the top-left '4' and moving right to the second '4'.
